

North Kitsap Pee Wee Players & Parents,
 Another season of football is quickly approaching! We are expecting another year of growth and adding teams! So get those registrations in early!
 The 2008 season presents us with an opportunity to expand NK Pee Wee's! We are in the process of trying to add NK Pee Wee teams that will practice in Kingston. In order to accomplish this goal we need to add enough new players to establish these teams. We have a committee working hard to secure fields, new players from Kingston, and the dollars we will need to buy the new equipment. If you would like to help us recruit new players or help raise the dollars needed to establish these teams please feel free to email me.
 We are a volunteer run organization, we can always use some of your time to make this a better experience for the kids!
 Let's have the best year ever!

News

PEE WEE FOOTBALL IN KINGSTON? Yes, We have an exciting opportunity to expand NK Pee Wee Football to Kingston. With the growing population of children interested in playing Pee Wee Football we would like to expand our program to accommodate all who want to participate. If we have enough new registrations to warrant teams based in Kingston we will be placing players based on that area.

What does this mean?

FIRST, Get your registration in early so we know how many players we will have as an organization. We really need all of your help registering EARLY so we have a good count of players!

SECOND, we will evaluate the number of registrations and addresses of players and make teams accordingly.

* Please note: If you live in the Kingston area and have played NK Pee Wee Football in Poulsbo in the past you will be able to return to your existing team!

We want to encourage all new players who are interested in playing Football to sign up!

Get those registrations in now and take advantage of the early registration discount!!!

Officials

How would you like to have fun and earn a few extra dollars doing it??? Every year we run short on officials that are available to be at our games, especially at the younger levels. This year we have an opportunity to have officials at more games but we need you! There is a new organization starting in the area that will TRAIN and PAY people who are interested in officiating Pee Wee games. If you volunteered in the past or would be interested in officiating, please email nkpeewees@nkpeewees.org and we will get you in touch with the new organization.
